Notes: As of Jan. 1, 2024, the Memphis Branch board of directors has a Board of Governors-appointed vacancy. Reserve Bank directors are elected or appointed to three-year terms, which begin on Jan. 1 of each year. This means that directors whose terms began Jan. 1, 2024, were appointed or elected in 2023. Directors are given the option to self-identify their gender and race/ethnicity upon joining the board. Percentages might not add up to 100% due to rounding.
