**DATE:** January 31, 2025  
**TO:** Eighth District Holding Companies  
**SUBJECT:** Annual Report of Holding Companies (FR Y-6)

The final reporting form and instructions for the FR Y-6, effective as of December 31, 2024, have been posted to the Board's public [Reporting Forms website](#).

The FR Y-6 forms and instructions were revised to include the use of the new electronic system, Structure Central, for holding companies to access their organization chart and domestic branch listing. Each reporter is required to verify and reconcile the listed organizational structure report(s) and domestic branch listing(s) against the entity's internal records as of its fiscal year-end. For tiered holding companies, the top-tier holding company must verify the structure of its subsidiary holding companies.

The FR Y-6 forms and instructions were also revised to include standard templates for item three, securities holders, and item four, insiders. Standardizing these items simplifies reporting this information. The use of the templates for items three and four are **required** for all FR Y-6 reporters.
